Dear parents/ carers,

DESIGN A CHRISTMAS CARD, GIFT TAGS, MUG AND TEA TOWEL!

Please find attached a template to create a design for a Christmas card. Your child's design will be scanned, professionally printed and turned into a quality A6 sized Christmas card. The design can also be turned in to gift tags, a mug or tea towel.

Every item ordered raises invaluable money for the school. You can order as many items as you require and also you're welcome to submit more than one design. This means that siblings not at the school can be included or that you could create notecards or birthday cards alongside Christmas gifts. **DO NOT ENCLOSE PAYMENT NOW.**

A pack of 12 cards	£5.00
9 Gift Tags	£1.75
Mug + Gift box (printed with image either side of handle and designer's name in the middle)	£6.00
Tea towel (comes with a season's greeting border)	£7.50

❖ Important...

Please keep drawings within the black border: anything outside the border will be cropped and will not appear on the design. If the design has any text make sure this is inside and clear of the black border. For best results we recommend that you use felt tip pens or coloured drawing pencils. You can also use paint or wax crayons.
Please do not use glitter, or stick anything down to the drawing template.

❖ To take part...

-Please **return your design template** to your CLASS REPS by **Friday 21st October** (beginning of Half Term) or sooner if possible! *No payment needed at this point.*
- Your sample card (which you can keep) will be delivered back to you along with an order form.

YOUR ORDER FORM AND PAYMENT will then need to be returned by Friday 11th November.

- The products will then be distributed by class reps
- Cheques should be made payable to: CRISA
- Extra templates can be printed by visiting: 'Downloads' on the website:
www.classfundraising.co.uk.

HAPPY DESIGNING!
